## The Venue

Our alfresco dining space is perched on the edge of our lush gardens, maximizing the view from every angle. The main dining area is under our all weather marquee, which can easily be set to any configuration, including space for a dance floor.

The surrounding area to the marquee is our large lawned gardens and the decked verandah adjacent to our bar is perfect for those wanting an outdoor, mingling style function.

This function document is aimed at a minimum of 30 people and maximum of 120 people. Events up to 350 people can be arranged and pricing is upon application.

## The Details

### Our Hovercraft

Due to our Special Facility Liquor License all functions require an element of hovercrafting involved (Minimum 10% of guests).

A magnificent team building event is to participate in our premier tour — The Sunset Tour — followed by your function upon return of the hovercraft at Thousand Stars Bar and Café. The Sunset Tour is 1 ¾ Hours in duration. Not only do you get out to see the 120 Million year old dinosaur footprints on the other side of

Roebuck Bay, but you also get out on a secluded path of tidal flats, that were up to 10m under the surface only hours before, and indulge in beautiful canapés and a glass of bubbly watching the sun go down! We also take out an Eski on this tour so passengers can purchase drinks from our licensed bar and take drinks with them to enjoy a real party on the tidal flats. A truly memorable opportunity to showcase Broome in all its glory.

We have 2 hovercraft — The “Spirit of Broome” and “Big Bird”. We can take up to 37 passengers in any one tour, however we are able to conduct several tours per day so we can accommodate larger groups over several tours if required.
