the Venue

Our alfresco dining space is perched on the edge of our lush gardens, maximizing the view from every angle. The main dining area is under our all weather marquee, which can easily be set to any configuration, including space for a dance floor. Our natural backdrop is well suited to any colour scheme and theming; and we encourage you to customize the space to create your perfect wedding day.

The surrounding area to the marquee is our large lawned gardens, perfect for those wanting outdoor ceremonies, or for the romantics who want to dance the night away under the stars.

We recommend a minimum of 30 people and maximum of 120 people.

GETTING HERE

Sunset Tour for your guests to explore the tidal flats and the 120 million year old dinosaur tracks, a truly memorable opportunity to showcase Broome in all its glory.

Due to our Special Facility Liquor License all functions have to have some element of hovercrafting involved (10% of guests).

We suggest a special hovercraft transfer for the wedding party from Town Beach to the Hovercraft base just before the ceremony. A unique and memorable element to your big day- sure beats the old limo ride!

Alternatively why not add one of our Scenic Tours or

THE CEREMONY

We're more than happy for you to say 'I do' on our beautiful sandy beach overlooking those unforgettable turquoise waters of Roebuck Bay. This unique, natural setting is particularly stunning at sunset.

In the event of inclement weather, we've got you covered. The ceremony can quickly and easily be moved under the marquee where you can continue to enjoy the same view.

THE PHOTOS

Many couples choose to stay on site here at the Broome Hovercraft base for their photos and take advantage of our beachside views. The 180 degree uninterrupted views of Roebuck Bay means these no need to leave the property to capture those unique natural colours of Broome.
